This is news to me.

Based on past HQ participation in this process, I assume Doug Ammon, Amy Legare, Dana Stalcup and/or Jim Woolford would be among those involved in preparing or giving this brief.

No one has consulted me on briefing materials or timeframes.

Principles and integrity are expensive, but they are among the very few things worth having.

Hi Jeff and Dan - did you see the email Karl passed along from Mathy saying OSWER staff are preparing briefing materials for him on the RRP HQ reviews? Karl has asked me to follow up with you on this. We have a meeting Monday afternoon where we can talk more, but since I am in DC already for meetings, do you know who, if anyone, in OECA/OSRE is involved in this - thought I might say hello to them tomorrow if I get a chance? And is Mathy's staff working with you on the briefing materials? Do you timeframes on briefing Mathy? Thanks for any light you can shed on this.
